Dear Mr. McAllister:

Thank you for your generous support of the 1991 FASEB Conference on Smooth Muscle. Your award will contribute substantially not only to the success of this meeting, but also to the exchange of basic scientific information that will benefit all of us in the research community.

We anticipate a diverse participation at this conference from scientists from all sectors. One or more researchers from your organization will be welcome contributors to our meetings and discussions. When you have identified those individuals who will be applying to FASEB for participation, please also forward their names directly to me.

Be assured that your interest and support are greatly appreciated.

Sincerely,

James T Stull
